FIRST ANNOUNCEMENT

Dear colleagues, dear friends,

It is a great pleasure to invite you to participate to the 17th ESHNR Congress and Refresher Course, from October 7 to 9, 2004 in Paris. The meeting will take place in the Maison de la Mutualité, a large conference center located in the heart of Paris, in the Quartier Latin, located a few hundred meters from Notre Dame.

The objectives of the congress are to provide the participants with the latest exciting and most practical developments that will affect your practice in the next year.

A special program developed with the Institut Gustave Roussy, the largest cancer center in France, will focus on multidisciplinary approach to head and neck cancers.

A specific social program is planned to provide the opportunity to establish close ties between participants from various countries.

We do hope that you will enjoy both the scientific aspect of this meeting and the beauty of Paris.

On behalf of the entire program committee we are looking forward to welcoming you at the ESHNR 2004.
